

## Who We Are

### About Us

The mission of the Seniors alliance of Platter Canyon is to connect seniors from Pine Junction to Kenosha Pass through advocacy, education, socialization, and local resources.

We believe all seniors are entitled to a quality of life that sustains their health and well-being.

## The Seniors Alliance of Platte Canyon

- Was formed by area citizens interested in improving services to Seniors in the Platte Canyon area of Park County.
- We are a volunteer “run and staffed” organization.
- We invite all area seniors to consider volunteering by joining the: Board of Directors, answering the phone in our resource office, teaching; crafts, computer technology or other areas of your expertise.

North Fork of the Platte River, Bailey, CO
